

I Will Worship You

Words and Music by
MICHAEL YAEGER

Section A:

Open the flood gates of heaven.
Rain down Your grace upon this place.
Pour out Your spirit among us,
And fill us with the power of Your name.

Section B:

And I'll worship You alone, my God.
I'll worship You alone, my God.
I'll worship You alone, my God.
I'll worship you, in all that I do.
Every step that I take, I'll give praise to your name.
And I will worship You.
